MEMO, SAC:

RE: MICHAEL SIDOROVICH, wa, etal
ESPIONAGE - R

Reference is made to the surveillance log of Special Agents CHARLES R. WOOD, JR. and A. JAMES ANDERSON, JR. for August 17, 1950 (65-2728-Sub B serial 153).

It is to be noted that in connection with this surveillance, MICHAEL SIDOROVICH left his apartment at 8:21 in company with ANNE SIDOROVICH and baby driving by devious routes to Lockyear, between 78th and 79th Streets. The surveilling agents observed MICHAEL SIDOROVICH go into a house on Lockyear which could have been one of the following addresses: 7503, 7507, 7509, 7417 or 7515. A 1929 or 1928 Chevrolet, bearing Ohio license QY-828, was observed to drive up to one of these houses and the driver entered one of the houses. This registration was ascertained to be to FRANK GRIES, 7503 Lockyear.

A check of the 1947-48 City Directory and the current criss-cross telephone directory, reflects that the following individuals are probably residing at the above-mentioned addresses:

7417 Lockyear	JOHN NOVAK FRANK J. MENCIN JOSEPH GRDINA, listed only in the current telephone directory OTTO H. SELISKAR (this name was listed in the 1947-48 City Directory, but there was no listing in the criss-cross telephone directory.)
7503 Lockyear	FRANK J. GRIES
7507 Lockyear	WILLIAM J. GASPER (down) ROBERT C. BONNELL (up)
7511 Lockyear	JOSEPH J. KRISCH (down) (listed in 1947-48 Directory, while HELEN KRISCH is listed in current telephone directory)

b7E { [REDACTED] at 7511 Lockyear, revealed that this family had moved away and that the downstairs apartment at that address had been occupied by a married daughter named, DOROTHY, of JOSEPH J. KRISCH. [REDACTED] was unable to furnish the married name of DOROTHY KRISCH.

A check of the Cleveland indices against the above names was made and the following were discovered to have no record:

FRANK J. MENCIN
FRANK J. GRIES
WILLIAM J. CASPER
ROBERT C. BONNELL
DOROTHY KRISCH
JOHN CHLOPEK
DAMIAN ROEDER

Numerous references were contained on JOHN NOVAK, but none were identifiable with the individual living on Lockyear.

Information on JOSEPH J. and HELEN KRISCH can be found in main file 100-8362 wherein the KRISCH's during World War II were reported for pro-Nazi sympathies by neighbors.

Information contained in the Cleveland files on JOSEPH GRDINA of St. Clair Ave., who had been a member of the All-Slav Congress Committee on Win the War, but nothing could be identified with the instant JOSEPH GRDINA.

Information in 100-989-Sub A 421 page 12 is to the effect that a party by the name of TRIEBER, who worked at Mt. Sinai Hospital, was to be a secretary of a Cleveland Committee of the American Soviet Friendship Council for the purposes of a mass meeting in connection with a speech to be made in New York City by JOSEPH DAVIES, former American Ambassador to Russia. [REDACTED] who also lives on Lockyear, revealed that neither TRIEBER Sr. or TRIEBER, JR. or anyone known to [REDACTED] had ever been connected with Mt. Sinai Hospital. b7e

Memo
65-2728

Credit records were checked on FRANK J. GRIES, HELEN KRISCH, and WILLIAM J. GASPER, inasmuch as those addresses covered the location where SIDOROVICH most likely entered and no record was found concerning GASPER or GRIES. Credit of HELEN KRISCH was referred to as good in the period from 1936 to April 1949.

Criminal check was made against the names of FRANK GRIES, WILLIAM GASPER, HELEN KRISCH and ROBERT C. BOWELL and the only information developed were minor traffic violations on individuals of a different address, but bearing the same name as ROBERT C. BOWELL and GASPER.

A lead is being prepared for SIDOROVICH to be questioned concerning his acquaintanceship with any of the above individuals in the event of a future interview with SIDOROVICH. In the event that SIDOROVICH is not reinterviewed, a neighborhood investigation be conducted in the above neighborhood to ascertain the possible knowledge of these individuals of SIDOROVICH. C

ESPIONAGE - R

The following are license plates for cars which in the course of the surveillance of MICHAEL SIDOROVICH appear to have some connection with SIDOROVICH:

- JL-714 Listed to GEORGE SCHWARZ^y, 2769 East 120th St. It is to be noted that SIDOROVICH left work in SCHWARZ's car on July 29, 1950, driving a 1949 tudor Chevrolet. (Serial 48 of 65-2728 Sub B.)
- AC-3258 Listed to LOUIS HARRIS^y of 799 Lakeview Road, Cleveland. It is to be noted that on August 17, 1950, while parked outside of HOWARD JOHNSON's Restaurant, SIDOROVICH spoke to the man driving this car and it was believed that it was a casual conversation such as asking the man how the ballgame on his radio was coming. (Serial 153 of 65-2728 Sub B). The indices of this office have no record on his man.
- GF-886 Listed to R. E. SCHMIDT^y, 1716 Spring Road, Cleveland. It is noted that on September 19, 1950, MICHAEL SIDOROVICH rode from Western Reserve University to 82nd and Carnegie with this individual. It is believed that this individual is a fellow student of SIDOROVICH at Western Reserve University and gave him a lift that night.
- L-791-K This number will be obtained from Columbus, Ohio.

RE: MICHAEL SIDOROVICH,

ESPIONAGE- R

A telephone call was recieved from ASAC WHELAN of the New York Office at 8:45 pm this date, requesting that the two above subjects be placed under surveillance until tomorrow evening at approximately 8:00 P.M. He stated that this matter had been taken up with the Bureau who approved the surveillance of the above subjects.

Mr. WHELAN stated that other members of the ring of which the subjects are alleged members, including WILLIAM PERL and VIVIAN GLASSMAN, were also being placed under surveillance during this period.

He advised that this step was being taken because of ^{information in} an anonymous letter which had come into the possession of the New York office.

Mr. WHELAN gave only a brief resume of the information contained in the anonymous letter which reflected that on Friday November 24th at 5:26 A.M. a launch will rendezvous with a submarine off Long Island, New York, and the writer ^{or some other individual} apparently desired to board the submarine in order to flee the country.

In addition to the above mentioned letter, Mr. WHELAN stated that information had been received from the cell-mate of JULIUS ROSENBERG that he (ROSENBERG) couldn't talk until the people with whom he had been associated left the country, which would be before Christmas.

Mr. WHELAN stated that in view of the above he believed it imperative that all the subjects in the case be kept under surveillance, until such time that they could not make connections with the submarine at the aforementioned time. He stated that MIKE & ANNE SIDOROVICH should be kept under surveillance at least until such time th at they could make plane or train connections which would get them in New York at about 10:00 p.m. 11-23-50.

He also stated that any unusual activities of the time subject should be reported under their file captioned as above.

SA KELLY was advised of the above at 8:55 p.m.

It is requested an agent be assigned to interview FLORENCE EUSE, Apartment #9, 8706 Carnegie Avenue, Cleveland, Ohio. It has been reported that EUSE had heard strange noises from the SIDOROVICH bathroom which adjoins the rear of her apartment. The possibility is noted that these noises may have been caused by the use of photographic material by MICHAEL SIDOROVICH and this line should be brought out in questioning Miss EUSE. EUSE should be interviewed on a general line concerning SODOROVICH's habits and associates, and photographs of the ROSENBERG parallel should be displayed to her.

It is not felt the writer should conduct this interview since he is so well known to the SIDOROVICHES.

Re: MICHAEL SIDOROVICH, was.
ETAL
ESPIONAGE - R.

MICHAEL SIDOROVICH was reinterviewed on February 20, 1951 by SA DAVID A. WIBLE and the writer at which time he furnished the following information:

Previously MICHAEL has maintained he has not seen JULIUS or ETHEL ROSENBERG since at least 1948 and probably not in 1948. MICHAEL advised he now recalls visiting JULIUS and ETHEL, at their apartment at 10 Monroe Street, New York City, during May of 1949. He stated this was during the trip he made to Frenchtown, New Jersey several days after his daughter, ANDREA ANNE, was born but while his wife was still confined to University Hospital, Cleveland (MICHAEL's daughter was born May 9, 1949). He reiterated that this trip was made at the behest of WALDO McNUTT who had informed MICHAEL of a possible purchaser for property owned by MICHAEL and WALDO in Frenchtown, New Jersey.

MICHAEL explained he called JULIUS and ETHEL to tell them of the birth of his daughter and that evening went to the ROSENBERG apartment. It is MICHAEL's recollection that JULIUS was confined to his bed and probably was ill. At that time ETHEL gave MICHAEL a child's blanket as a gift for ANDREA ANNE.

MICHAEL denied receiving or soliciting funds from JULIUS at this or any other time either as a gift or as a loan.

MICHAEL repeated his statement that he subsisted on the redemption of war bonds and savings from the time he left Tucker Industries, November 1948, until May of 1949 when he became associated with the Commonwealth Life & Accident Insurance Company. He stated that he continued to use his

savings and bond redemptions as a supplementary source of income until he secured his present position with the Gas Machinery Company in June of 1950. MICHAEL estimated his total assets as of November 1948, from bond redemptions, bank deposits and cash maintained at home, as \$3500.

MICHAEL advised he had given consideration to permanently moving to Israel. He felt he would have a better opportunity in life in a new country and would be able to avoid the stigma of his association with the Young Communist League and the Abraham Lincoln Brigade. He also stated he had made no definite plans and felt he would probably be denied a passport in view of the Internal Security Act of 1950. In no event would he leave the United States, he stated, until he completed his present study of chemistry at Western Reserve University since he entertains a desire of being a chemist rather than a draftsman.

MICHAEL reiterated his statements of innocence and denied implication in any subversive activities or espionage.
